

COMMUNITY MEETING

EAST SAN PEDRO BAY ECOSYSTEM RESTORATION FEASIBILITY STUDY

Please join us for a community meeting to discuss the East San Pedro Bay Ecosystem Restoration Feasibility Study. Please plan to attend and hear from the U.S. Army Corps of Engineers, the lead agency on this study. The Army Corps will provide an overview of their plan formulation process and are seeking input on issues related to ecosystem restoration in the East San Pedro Bay, as well as objectives, opportunities and constraints on restoration.

This meeting will be held at two different times to accommodate various schedules (both meetings are identical):

Date: Thursday, April 7th, 2016
Times: 2:00 pm - 4:00 pm
 6:00 pm - 8:00 pm
Location: Bixby Park Community Center
 130 Cherry Avenue
 Long Beach, CA 90802

Please Join Us & Provide Your Thoughts on the Study!

Free and open to the public!

A public scoping meeting for the East San Pedro Bay Ecosystem Restoration Feasibility Study.

Thursday, April 7, 2016

6:00 p.m. - 8:00 p.m.

Bixby Park Community Center
 130 Cherry Avenue
 Long Beach, CA 90802
